Lamai Bayview Resort is located in a quiet area between chaweng and lamai town.

Our resort consists of 26 Samui Style bungalows in a large tropical garden with beautiful rock formations, slopping down to the sea and beach.

All bungalows have large balconies offering a stunning view of Lamai bay and the surrounding mountains.

Dream away or read a good book at your balcony. Enjoy a tasty meal and tropical cocktails in our open style Western/Thai restaurant, while taking in the beautiful view.
